

The South Carolina LGBTQ+ Oral Histories, Archives, and Outreach Project at the College of Charleston holds South Carolina's most developed archival materials related to LGBTQ+ life.

We are sustained by the generosity of donors like those below. With no major support received since the project's initial grant from the Gaylord and Dorothy Donnelley Foundation, our donors are crucial to our work in more ways than one. Many have shared stories we've collected, volunteer for the community, or tell others about this project.

Thank you to all those who care about our project!
